Ladies and gentlemen, the enclosed copy of a part of the FL statutes, 720.305 (2), addresses fines for violations. Unfortunately, it appears that TCB's notion that a "***due process committee***" could impose fines is not correct. The first sentence in paragraph (2) clearly states, "***If the governing documents so provide...***". I can't find any provisions in our documents that allow any fines for violations.

Your input is welcome.

Title XL Chapter 720 View Entire Chapter
REAL AND PERSONAL PROPERTY HOMEOWNERS' ASSOCIATIONS

720.305 Obligations of members; remedies at law or in equity; levy of fines and suspension of use rights; failure to fill sufficient number of vacancies on board of directors to constitute a quorum; appointment of receiver upon petition of any member.--

(1) Each member and the member's tenants, guests, and invitees, and each association, are governed by, and must comply with, this chapter, the governing documents of the community, and the rules of the association. Actions at law or in equity, or both, to redress alleged failure or refusal to comply with these provisions may be brought by the association or by any member against:

- (a) The association;
- (b) A member;
- (c) Any director or officer of an association who willfully and knowingly fails to comply with these provisions; and
- (d) Any tenants, guests, or invitees occupying a parcel or using the common areas.

The prevailing party in any such litigation is entitled to recover reasonable attorney's fees and costs. A member prevailing in an action between the association and the member under this section, in addition to recovering his or her reasonable attorney's fees, may recover additional amounts as determined by the court to be necessary to reimburse the member for his or her share of assessments levied by the association to fund its expenses of the litigation. This relief does not exclude other remedies provided by law. This section does not deprive any person of any other available right or remedy.

(2) If the governing documents so provide, an association may suspend, for a reasonable period of time, the rights of a member or a member's tenants, guests, or invitees, or both, to use common areas and facilities and may levy reasonable fines, not to exceed \$100 per violation, against any member or any tenant, guest, or invitee. A fine may be levied on the basis of each day of a continuing violation, with a single notice and opportunity for hearing, except that no such fine shall exceed \$1,000 in the aggregate unless otherwise provided in the governing documents. A fine shall not become a lien against a parcel. In any action to recover a fine, the prevailing party is entitled to collect its reasonable attorney's fees and costs from the nonprevailing party as determined by the court.

(a) A fine or suspension may not be imposed without notice of at least 14 days to the person sought to be fined or suspended and an opportunity for a hearing before a committee of at least three members appointed by the board who are not officers, directors, or employees of the association, or the spouse, parent, child, brother, or sister of an officer, director, or employee. If the committee, by majority vote, does not approve a proposed fine or suspension, it may not be imposed.

(b) The requirements of this subsection do not apply to the imposition of suspensions or fines upon any member because of the failure of the member to pay assessments or other charges when due if such action is authorized by the governing documents.

C. "Board" shall mean and refer to the Board of Directors of the Association.

D. "Common Areas" shall mean for the purposes of this Declaration those areas specifically designated as "Common Areas" on the plat of Three Meadows, Phase III and those areas which are within the plat boundary but are neither part of the Lots nor part of the dedicated lands.

E. "Developer" shall mean and refer to Three Meadows Corporation, its successors or assigns.

F. "Three Meadows, Phase III" shall mean and refer to the platted Subdivision.

G. "Lot" shall mean and refer to any of the individual platted lots in the Subdivision.

2. DURATION OF RESTRICTIONS. This Declaration shall be binding on the Developer, and all persons claiming under the Developer until January 1, 2050, at which time the Declaration shall be automatically extended for successive periods of ten (10) years unless, by vote of a majority of the then Owners of all of the Lots located in the Subdivision, it is agreed to change said Declaration in whole or in part.

3. INVALIDITY. Invalidation of any one of the provisions of the Declaration by judgment or court order shall in no wise affect any of the other provisions which shall remain in full force and effect.

4. CONTROL. For the purpose of ensuring the use and development of the Subdivision as a single-family residential area of high standards, the Association reserves the power to control, as herein specified, the use, buildings, structures and other improvements placed on each Lot and the Common Areas.

5. HOMEOWNERS' ASSOCIATION.

A. Establishment of Homeowners' Association:

There shall be established a homeowners' association, hereinafter sometimes referred to the "Association," composed of record owners of each Lot. The Association shall be the Three Meadows Phase III Homeowners' Association, Inc., a not-for-profit corporation, organized and existing under the laws of the State of Florida. The Association shall administer the operation and maintenance of the Common Areas and its property and perform other duties hereinafter provided for. The Association shall have all the powers and duties set forth in this Declaration, its Articles of Incorporation, its By-laws and as granted by the laws of the State of Florida, to non-profit corporations.

B. Membership:

Every Owner of a Lot, including the Developer at all times as long as it owns Lots, shall be a member of the Association, provided that any such person or entity who holds such interest only as security for the performance of an obligation shall not be a member. Membership shall be appurtenant to, and may not be separated from, ownership of any Lot. At any meeting of members of the Association or at any meeting of Lot Owners, a member or a Lot Owner, including the Developer, will be entitled to a number of votes equivalent to the number of Lots owned by him.

C. The Association shall be governed by a Board of Directors consisting of at least three (3) members, who need not be members of the Association. The Developer shall have the right to appoint any or all of the members of said Board of Directors or such lesser number as it may choose, as long as Developer owns Lots in the subdivision. All members of the Board of Directors after the Developer no longer owns 10% of the Lots in the subdivision, shall be elected by and shall serve at the pleasure of a majority vote of the general membership of the Association. A majority of the Board of Directors shall constitute a quorum to transact business at any meeting of the Association's Board of Directors, and the action of a majority present at the meeting at which a quorum is present shall constitute the action of the Board of Directors and the Association. Upon Developer transferring or conveying the last Lot which would cause the Developer to not own any lots in the subdivision, then, in that event, the Developer and its appointed Board members shall resign and the general membership shall elect a successor Board of Directors to administer and govern the Association in accordance with this Declaration, the Association's Articles of Incorporation and By-laws.

D. The Board of Directors of the Association shall adopt annual budgets in advance for each fiscal year and the budget shall project anticipated income and estimated expenses in sufficient detail to show separate estimates for operating expenses, insurance,

electricity, maintenance expenses, repairs, replacement reserve and reasonable operating reserve for the common property, in addition to reasonable reserves for the continued maintenance and operation of any other items deemed necessary to the protection of Owners, including any areas that may be located on the dedicated right-of-way comprising the entrance to the Subdivision, and those planted areas not part of the platted Lots, where planting and landscaping exist for the aesthetical enhancement of the Subdivision, and those commonly maintained areas that are part of the Lots but over which exist drainage easements which the Association is responsible for maintaining. Each owner shall be liable for the payment to the Association of its share of common expenses, also known as the Assessment, as determined in said budget. Until revised by the Board of Directors, annual assessments shall be due and payable on January 1st of each year as follows: Retention Area lots - \$50.00; all other lots - \$25.00.

E. After adoption of a budget and determination of the annual Assessment per Lot, and after its approval by the member's meeting as per Article 6 herein, the Association shall assess such sum by promptly notifying all Owners by delivering or mailing notice thereof to the voting member representing each Lot as such member's most recent address is shown by the books and records of the Association. The annual Assessment shall be due and payable in advance to the Association, January 1, annually regardless of whether or not members are sent notice thereof.

F. Special Assessments may be made by the Board of Directors of the Association from time to time to meet other needs or requirements of the Association in the operation and management of the Common Areas and its property, and to provide for emergencies, repairs or replacements and infrequently recurring items of maintenance.

G. The liability for any Assessment or portion thereof may not be avoided by any Owner or waived by reason of such Owner's

waiver of the use and enjoyment of any of the Common Areas or by his abandonment of his Lot.

H. The Owners shall be personally liable, jointly and severally, to the Association for the payment of all Assessments, regular or special, made by the Association and for all costs of collection of delinquent Assessments. In the event Assessments against a Lot are not paid within sixty (60) days after their due date. There shall be a Twenty-five Dollar (\$25.00) late fee for each Assessment that is unpaid for more than ten (10) days after due date, to cover the extra administrative costs associated with collecting such late Assessments. In addition to the late fee, Assessments that are unpaid for more than thirty (30) days after due date shall bear interest at the rate of eighteen percent (18%) per annum from the due date until paid.

I. The Association shall have a lien on each Lot for any unpaid assessments, costs of collection, including attorneys' fees and interest thereon. The lien shall be effective from and after the time of recording a claim of lien in the Public Records of Brevard County, Florida. Any and all such liens herein provided for shall be subordinate to the lien of a mortgage or other lien recorded prior to the time of recording of the claim of lien. The Board of Directors may take such action as it deems necessary to collect Assessments, or by enforcing and foreclosing said lien, and may settle and compromise the same if it deems it is in the best interests of the Association. The delinquent Owner shall pay all costs, including reasonable attorneys' fees, for collecting unpaid assessments, including filing any action or suit enforcing and foreclosing a lien, and the lien shall be deemed to cover and secure all such costs and fees. The Association shall be entitled to bid at any sale pursuant to a suit to foreclose a lien for an Assessment, and to apply said Assessment and expenses of collection as credit for the foreclosed lien.

J. As to priority between the lien of a recorded mortgage and the lien for an Assessment, the lien for an Assessment is hereby

rendered subordinate and inferior to any recorded first mortgage, or mortgage in favor of the Developer, regardless when said Assessment was due, but not to any other mortgage. Failure to pay Assessments does not constitute a default under the terms of a federally insured mortgage. Nothing contained herein shall require mortgagees to collect Assessments.

6. COVENANTS FOR ASSESSMENTS

A. MEMBERS' APPROVAL OF ANNUAL ASSESSMENT. Assessments set by the Board of Directors must be approved by simple majority of members of the Association present at the meeting called to approve such Assessments.

B. UNIFORM RATE OF ASSESSMENT. All regular and special Assessments shall be at a uniform rate for each Lot, except Retention Area front lots be uniformly assessed at a rate different from other lots.

C. SPECIAL ASSESSMENTS FOR CAPITAL IMPROVEMENTS AND MAJOR REPAIRS. In addition to any annual Assessments, the Board may levy in any Assessment year a special Assessment, applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, unexpected repair or replacement of a capital improvement as approved by the Board of Directors of the Association, including the necessary fixtures and personal property related thereto, provided that any such Assessment shall have the assent of two-thirds (2/3) of the votes of members who are voting in person or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all members at least thirty (30) days in advance and shall set forth the purpose of any meeting.

D. DATE OF COMMENCEMENT OF ANNUAL ASSESSMENTS: DUE DATE. The Assessments for which provisions are herein made shall commence on the date or dates (which shall be the first day of the month) fixed by the Board of Directors of the Association to be the date of commencement. The due date of any Assessment shall be the date of commencement. The Assessment shall be payable in advance in annual installments, as determined by the Board.

E. DUTIES OF THE BOARD OF DIRECTORS. The Board of Directors of the Association shall fix the date of commencement, and the amount of the Assessment against each Lot for each Assessment period at least thirty (30) days in advance of such date or period and shall at that time, prepare a roster of the Lots and Assessments applicable thereto which shall be sent to each Owner at his last known address upon request. Written notice of the Assessment shall be sent to every Owner subject thereto not later than seven (7) days after fixing the date of commencement thereof.

The Association shall, upon demand at any time, furnish to any Owner liable for said Assessment a certificate in writing signed by an officer of the Association, setting forth whether said Assessment has been paid. Such certificate shall be conclusive evidence of payment of any Assessment therein stated to have been paid.

F. EXEMPT PROPERTY. All property except that which is legally platted into individual Lots as per the recorded plat of Three Meadows, Phase III, shall be exempt from Assessments. Furthermore, all property owned by the Developer, in the ordinary course of business, including individually platted Lots, shall be exempt from Assessments.

7. EXTERIOR MAINTENANCE. In addition to maintenance upon the Common Areas, the Association may provide upon any Lot requiring same- when necessary in the opinion of the Board of Directors of the Association to preserve the beauty and quality of the neighborhood- maintenance, including but not limited to, paint, repair, roof repair and replacement, gutters, downspouts, exterior building surfaces and yard cleanup and/or maintenance.

B. ASSESSMENT OF COST. The cost of such maintenance shall be assessed against the Lot(s) upon which such maintenance is performed. The Assessment shall be apportioned among the Lots involved in the manner determined to be appropriate by the Board of Directors of the Association. If no allocation is made, the Assessment shall be uniformly assessed against all of the Lots in the affected area. The exterior maintenance Assessments shall not be considered part of the

annual or special Assessments. Any exterior maintenance Assessment shall be a lien on the Lot and the personal obligation of the Owner and shall become due and payable in all respects, together with interest and fees for cost of collection, including reasonable attorney fees, as provided for the other Assessments of the Association, and shall be subordinate to mortgage liens to the extent provided by Article 5, subparagraph "J" hereof.

C. ACCESS AT REASONABLE HOURS. For the purpose of performing the maintenance authorized by this article, the Association, through its duly authorized agents or employees, shall have the right, after giving a seven day notice in writing to the Owner, to enter upon any Lot or the exterior of any improvements thereon between the hours of 9:00 A.M. and 5:00 P.M. on any day and such entry shall not be deemed a trespass. In the event there is a serious health hazard, the seven day notice requirement shall be waived.

8. REVIEW COMMITTEE.

A. There shall be established a Review Committee ("Committee"), which shall have three (3) members. The initial members of the Committee shall be Clark F. Brown, Jr.; Donald L. Simms and Robert Stuhlmiller.

B. The Developer reserves the right to change the members of the Committee from time to time. The evidence of such change shall be confirmed when a statement of such change is filed in the Public Records of Brevard County, Florida, and the substitute members so designated shall be vested with all of the powers, rights and authority of the original Committee members.

C. The Committee may designate a representative to act for it, which representative need not be a member of the Committee or an Owner and may be natural or artificial. The designation of said representative shall be in writing and signed on behalf of the Committee by all of its members. In the event of the death or resignation of any member of the Committee, the remaining members shall have full authority to designate a successor. None of the

members shall be entitled to any compensation for services rendered pursuant to this Declaration.

D. At the time that the Developer does not own any of the Lots or the Committee has ceased to function or after January 1, 2000, whichever occurs earlier, all privileges, powers, rights and authority of the Committee shall be vested in a committee selected by the then Owners of a majority of the Lots.

9. CONSTRUCTION REVIEW.

A. Whether or not provision therefor is specifically stated in any conveyance of a Lot, the Owners or occupants of each and every Lot by acceptance of title thereto, or by taking possession thereof, covenant and agree, for themselves, their heirs, administrators, personal representatives, successors or assigns, that no structure or improvement shall be placed on any Lot unless and until the plans and specifications therefor and plot plans thereof have been approved in writing by the Committee. Each such structure shall be placed on the Lot only in accordance with the plans and specifications submitted to and approved by the Committee, as herein provided.

B. Approval or disapproval of the plans, specifications and plot plans must be given within ten (10) days after written request therefor is delivered to the Committee. If the approval or disapproval is not given within that time, then such written approval shall not be required ; provided, however, that no single-family building, accessory building or structure shall be erected which violates any of the provisions of this Declaration.

10. SETBACK LINES. The setbacks will be as per City of Rockledge zoning specifications as may be changed from time to time. No structures shall be permitted to be constructed within ten (10) feet of any drainage easements as per the plat of the Subdivision without the express written consent of the Board of Directors of the Association and approval of the Review Committee.

11. SUBDIVISION OF LOTS:

A. No Lots, as shown on the Subdivision plat, shall be subdivided except that one or more Lots, or parts thereof, abutting

other Lot(s) may be joined or merged to increase the size of such abutting Lot(s), and such Lot(s) of increased size shall thereafter remain as one building site.

B. Developer does specifically reserve to itself the right to amend, alter, modify, delete, vacate, divide, combine or dedicate any of the Lot(s), or parts thereof, that it owns, without the consent of the Owners or the Association. Developer further reserves the right to amend the plat of the Subdivision or to replat any portion of the Subdivision so long as the Developer owns the lands of the amended or replatted plat. Every Owner recognizes, and agrees, that in the event Developer amends the plat of the Subdivision, replats, modifies, alters, deletes, vacates, divides, combines or dedicates any Lot(s), or portions thereof, that the number of Owners in the Subdivision may increase or decrease accordingly and that certain changes may occur in the Common Areas.
