Significant Events

On February 9th, a tip was given to Cocoa Police Department on the whereabouts of a wanted person, **Grant Moore**.

Officers followed up on the information, and did make contact with **Moore**. **Moore** was then detained for the warrant. Upon inspection of the car, a handgun was located. This discovery added **Possession of a Firearm By a Convicted Felon and Carrying a Concealed Weapon** to his charges.

Charner Williams caught an officer's attention February 10th, as he sped through an active school zone. Once

Williams was stopped, a check of his license revealed that he was suspended, and labeled a **Habitual Traffic Offender**, and in

Possession of a Suspended Drivers License. **Williams** was arrested on the above charges, transported to the Cocoa Police Department for booking, and later turned over to the Brevard County Jail.

On Sunday afternoon, February 19th, officers worked in conjunction with a local discount department store to press **Felony Shoplifting** charges on **Angela Barnes** and **Hollie Barnett**. Both were observed trying to conceal over \$700 worth of merchandise. **Barnes** was also charged with **Possession of Paraphernalia**, and **Resisting without Violence**. **Barnett** earned a **Resisting without Violence** charge as well.

Officers responded to an intersection in reference to an anchor that had been left in the middle of the road. A local land clearing company was contacted for removal. No damage was done to the roadway, and no traffic was affected.

Over **840** foot, vehicle and Segway patrols were conducted in this time frame, of the “hot spots of activity” in our city and over **45** arrests were made. Many arrests involved removing weapons, drugs and drug dealers from our streets. If you have ANY information in regards to these incidents, we encourage you to contact us.
